

NOTICE OF PUBLICATION

Population Trends 2013

The Singapore Department of Statistics is pleased to announce the release of the publication ***Population Trends 2013***. It is the ninth edition of an annual series that puts together different aspects of demographic statistics in one volume. The report comprises five sections, namely, 'Population', 'Households and Housing', 'Family Formation and Dissolution', 'Fertility' and 'Mortality'. Time series of commonly used indicators are included in the Statistical Appendices.

Singapore's total population was 5.40 million as at end-June 2013. This was an increase of 1.6 per cent compared to a year ago.

Interested readers may access the publication online at the Statistics Singapore website under the "Publication" section (http://www.singstat.gov.sg/publications/publications_and_papers/population_and_population_structure/population_trend.html).
