29	13	SMI Seminar: Automation and Autonomy	11 Apr

**All information is provided by the respective organisers. For queries on these events, please contact the respective organisers found in Annex B.**

## **'Through Your Lens' Photo Competition**

Date : December 2013 – 28<sup>th</sup> February 2014

Organisers : ASMI, MPA, SMF, SSA

In celebration of all things maritime, the SMW photography competition invites budding and professional photographers to capture unique and striking images of Maritime Singapore. The winners from both the Open and Youth categories will walk away with attractive cash prizes.

The winning designs will be on display at the Singapore Maritime Week Exhibition at VivoCity from 31 March to 6 April.

## **Singapore Maritime Week Exhibition**

Date : 31<sup>st</sup> March 2014 – 6<sup>th</sup> April 2014

Time : 10am – 10pm

Venue : VivoCity, Parkway Parade and Jurong Point

Organiser : ASMI, MPA, SMF, SSA

This year's Singapore Maritime Week (SMW) will be preceded by the SMW Exhibition, "A Day in Maritime Singapore", at Vivo City from 31st March – 6th April 2014.

There will also be similar exhibitions at two suburban malls. As part of our efforts to reach out to the public, the exhibition will feature fun facts about Maritime Singapore. The exhibition will also showcase winning and shortlisted entries from the Photo Competition.

## **Amazing Maritime Hunt**

Date : 6<sup>th</sup> April 2014

Time : 8am

Venue : VivoCity

Organiser : ASMI, MPA, SMF, SSA

The Amazing Maritime Hunt (AMH) 2014 tests participants' maritime knowledge and skills in fun and challenging activities that everyone can enjoy, including a location hunt for places associated with Singapore's rich maritime heritage.

Jointly organised by the Maritime and Port Authority of Singapore, the Singapore Maritime Foundation, the Singapore Shipping Association, and the Association of Singapore Marine Industries, the AMH is a half-day outdoor event open to members of the general public.

## **Launch of Singapore Maritime Week 2014**

Date : 6<sup>th</sup> April 2014  
Time : 2pm -3.30pm  
Venue : VivoCity  
Organiser : ASMI, MPA, SMF, SSA

To mark the official start of Singapore Maritime Week 2014, the SMW Launch will take place at Vivo City on Sunday, 6 April 2014.

Guest-of-Honour, Mr Lui Tuck Yew, Minister for Transport, will officially launch the event. There will also be performances as well as prize presentations for the SMW Photography Competition and the Amazing Maritime Hunt.

## **5th Annual FPSO Conference**

Date : 6<sup>th</sup> April 2014 – 9<sup>th</sup> April 2014  
Time : 8.30 – 5pm  
Venue : Marina Bay Sands  
Organiser : IBC Asia

IBC Asia's 5th Annual FPSO Conference will feature two dedicated streams on FPSO Hotspots & Emerging Markets and FPSO Design, Build & Operate. For the commercial track, key topics will include the hottest offshore E&P updates, strategic business models, mature and marginal field developments, meeting local content regulations, FPSO shipbuilding market dynamics, FPSO tenders, financing and contracting best practices.

The other track will shed light on FPSO redeployment vs. conversions, the latest FPSO designs and upgrades, innovative FPSO mooring models plus tips on FPSO asset integrity management.

National Archives of Singapore

## **6th Annual Offshore Drilling Conference**

Date : 6<sup>th</sup> April 2014 – 9<sup>th</sup> April 2014  
Time : 8am – 5pm  
Venue : Marina Bay Sands  
Organiser : IBC Asia

IBC Asia's 6th Annual Offshore Drilling event will provide the latest insight on the global offshore drilling sector, including a focus on Asian offshore drilling investment landscape. It will highlight project opportunities in different types of offshore drilling activities – geotechnical, exploratory and development drilling. Also, capitalising on rising deepwater drilling projects and China's growing presence in the new rig

building business will be addressed. In addition, the latest designs of newbuild Mobile Offshore Drilling Units (MODUs) addressing harsh environment challenges will be showcased.

The designs will also feature the latest advancements in drilling technology integrated in the rigs. New developments in safety and design standards, effectively structuring rig contracts, successfully financing rig projects and entering into mergers & acquisitions (M&A) will be revealed. Furthermore, solving the challenges of well integrity management and reigniting human resources will be discussed. These topical issues will be delivered by leading offshore drilling industry experts.

### **6th Offshore Support Vessels**

Date : 7<sup>th</sup> April 2014 – 9<sup>th</sup> April 2014  
Time : 8.30am -5pm  
Venue : Marina Bay Sands  
Organiser : IBC Asia

IBC Asia's 6th Annual Offshore Drilling event will provide the latest insight on the global offshore drilling sector, including a focus on Asian offshore drilling investment landscape. It will highlight project opportunities in different types of offshore drilling activities – geotechnical, exploratory and development drilling. Also, capitalising on rising deepwater drilling projects and China's growing presence in the newbuild rig building business will be addressed.

In addition, the latest designs of newbuild Mobile Offshore Drilling Units (MODUs) addressing harsh environment challenges will be showcased. The designs will also feature the latest advancements in drilling technology integrated in the rigs. New developments in safety and design standards, effectively structuring rig contracts, successfully financing rig projects and entering into mergers & acquisitions (M&A) will be revealed. Furthermore, the challenges of well integrity management and reigniting human resources will be discussed. These topical issues will be delivered by leading offshore drilling industry experts.

### **Oxford Bunker Course Advanced**

Date : 7<sup>th</sup> April 2014 – 9<sup>th</sup> April 2014  
Time : 7.30am -5pm  
Venue : Traders Hotel  
Organiser : Petrospot

This three-day intensive training course is an advanced-level version of the one-week Oxford Bunker Course that is held twice a year in Oxford, UK and is widely considered to be the "best bunker course in the world".

### **LNG as a Marine Fuel**

Date : 7<sup>th</sup> April 2014  
Time : 1pm - 5pm  
Venue : Fullerton Hotel  
Organiser : Trade Winds

This is an interactive, half-day forum powering the debate on the scope for LNG to become an economic and environmentally friendly alternative fuel for the world's merchant fleet.

Fifty years on from the first shipment of LNG as a commercial cargo and with the potential for a significant percentage of the world's 85,000 strong merchant fleet to be fuelled by LNG in the long term, Trade Winds Events will use the platform of an interactive half-day forum to debate the issues at what is considered by many to be the dawn of a new era.

Key questions will be raised and discussed through the sharing of experiences - keynote presentations, case studies and open debate in a format which will encourage audience participation.

National Archives of Singapore

### **Dry Cargo Chartering**

Date : 7<sup>th</sup> April 2014  
Time : 1pm - 5pm  
Venue : Fullerton Hotel  
Organiser : Trade Winds

As the foundation stone in the development of a knowledge leader series for the dry cargo chartering community, the format of this half-day event with case study presentations, panel debates and cabaret style seating for the delegates will encourage those forward thinking executives who attend to interact and take a fresh approach to achieve desired outcomes. Through continuous dialogue and ongoing

activity post-event, and as part of the knowledge leader series, the Charterers Seminar will feed, complement and enhance the programme content for the established and well-respected Trade Winds Charterers Forum – Dry Cargo which takes place in Geneva, November 2014.

The industries' most innovative and forward-thinking individuals will be invited to contribute as knowledge leaders to the development of the seminar programme and to share their views on the day with the strictly limited number of approved delegates.

### **Sea Asia 2015 Launch Reception**

Date : 7<sup>th</sup> April 2014  
Time : 12pm - 2.30pm  
Venue : Masons Restaurant  
Organiser : Seatrade & SMF

Organisers Seatrade and the Singapore Maritime Foundation are launching the 5th edition of Sea Asia in style at Masons restaurant 12 months ahead of the event.

Returning to Singapore from 21 – 23 April 2015, Sea Asia will celebrate its 5th edition as Singapore celebrates its 50th birthday. Inaugurated in 2007 with an exhibition floor size of around 8,000 sqm and over 7,000 participants, Sea Asia 2015 is expected to trump all previous editions, more than doubling its 2007 performance in terms of trade show size and participant numbers. Sea Asia's hugely successful conference is also expected to continue to draw the industry's Who's Who for 3 days of discussions and networking. Invitation to the launch reception, which will be preceded by a media briefing, is by invitation only.

## **Sea Asia Awards**

Date : 7<sup>th</sup> April 2014  
Time : 7.30pm -11pm  
Venue : InterContinental Hotel  
Organiser : Seatrade & SMF

Seatrade has been the pioneer of shipping awards schemes since 1988. The Asia Awards programme was first initiated in 2008 to raise the profile of maritime development across Asia and to underscore excellence in the fields of innovation; safety and quality; social and environmental responsibility; enterprise and achievement, together with education and training.

Designed to celebrate and reward excellence and innovation in the maritime sector across the region over the previous 12 months, a panel of esteemed judges will

assess the entries in all categories according to the following six fundamental principles and their industry specific criteria.

The Awards ceremony is presented at a black-tie gala dinner event.

### **Maritime Learning Journey**

Date : 7<sup>th</sup> April 2014 – 11<sup>th</sup> April 2014

Time : 8.30am - 4.15pm

Organiser : MPA

The Maritime Learning Journey allow participants to catch a rare glimpse of the maritime operations carried out in the Port of Singapore and get a firsthand experience of Singapore's dynamic maritime industry and the career opportunities available. The activities include a trip out to sea, visit to the lighthouse, tour in the port terminals and the Singapore Maritime Gallery.

### **Singapore Bunkering Symposium**

Date : 8<sup>th</sup> April 2014

Time : 9am – 5pm

Venue: HDB

Organiser : MPA & NMC

The Singapore Bunkering Symposium focuses on the use of mass flow meters (MFM) for bunkering and also provides in-depth technical perspectives on the use of MFM in terms of measurement techniques, traceability, calibration, and custody regulatory requirements.

In conjunction with this symposium, A\*STAR's National Metrology Centre (NMC) will be announcing the opening of its flow metrology lab, and its commitment to further build infrastructure for flow metrology in Singapore.

### **Sustainable Marine Transportation Conference 2014: Green Shipping and Ports'**

Date : 8<sup>th</sup> April 2014

Time : 2pm – 5pm

Venue: Raffles Town Club

Organiser : MPA

Green and sustainable shipping has never been more important for environmental and compliance reasons. The Sustainable Marine Transportation Conference offers

insights into global trends, company strategies and technological advancements. Themed “Green Shipping and Ports”, the conference is jointly organised by the Royal Norwegian Embassy/Innovation Norway and the Maritime & Port Authority of Singapore. Apart from maritime operations and e-Navigation, the conference will also discuss about the roles of ports and ships of the future, and it will be an excellent forum for speakers and delegates to share views on critical operational and environmental issues.

### **Asia Pacific Superyacht & Boating Conference**

Date : 8<sup>th</sup> April 2014 and 9<sup>th</sup> April 2014  
Time : 8.00am - 6.15pm  
Venue: ONE 15 Marina Club  
Organiser : Singapore Yacht Events

In 2013, the Asia Pacific Superyacht Conference (APSC) delivered unrivalled insight from more than 20 expert speakers on the Asian market to over 100 delegates. In 2014, the Asia Pacific Superyacht and Boating Conference’s programme will be expanded to include two distinct streams: on Superyachts and Boating. To be held on 8–9 April 2014, the joint conference will take place at ONE°15 Marina Club, the Singapore Yacht Show (SYS) held from 10–13 April.

By offering focused streams on each area of interest, together with plenary sessions for the larger industry, the conference is expected to offer a balanced forum for delegates. With developing markets in Asia increasing business confidence and growth, this conference will be the only regional industry platform for participants to discuss, debate and innovate ideas, promoting the further collaboration necessary to propel the marine industry forward.

## National Archives of Singapore

### **TOC Container Supply Chain Asia**

Date : 8<sup>th</sup> April 2014 and 9<sup>th</sup> April 2014  
Time : 8.30am – 5.30pm  
Venue: Marina Bay Sands Hotel  
Organiser : TOC Asia

With a 16 year heritage, the conference combines port & terminal operations with supply chain and logistics content to bring you Asia’s most comprehensive event for the container transport community.

Returning to Singapore in April 2014 to be held in conjunction with Singapore Maritime Week, TOC CSC Asia 2014 will provide delegates with up-to-the-minute

information and analysis on international trade, container shipping, transport logistics and port development.

### **ReCAAP ISC Piracy and Sea Robbery Conference 2014**

Date : 8<sup>th</sup> April 2014  
Time : 1pm - 5pm (Tentative)  
Venue: York Hotel, Carlton Hall Level 2  
Organiser : ReCAAP, BIMCO, RSIS

The ReCAAP ISC together with BIMCO, INTERTANKO and the RSIS will jointly organise the ReCAAP ISC Piracy and Sea Robbery Conference 2014 on the afternoon of 8 April 2014. The conference, with theme 'Piracy and Sea Robbery: Emerging Challenges', will feature a presentation by the ReCAAP ISC on the situation of piracy and sea robbery in Asia and panel discussions on the challenges in providing a safer operating environment for all forms of shipping. The conference is aimed to provide a platform for interactive discussion between the speakers and audience, comprising government agencies, international and local shipping companies, seafarers, research institutes, etc.

### **Green Technologies Seminar**

Date : 8<sup>th</sup> April 2014  
Time : 10am - 5pm  
Venue: InterContinental Hotel  
Organiser : Seatrade & ClassNK

Leading classification society ClassNK and global publisher and event organiser Seatrade proudly present the third Green Technologies Seminar. The event will take place on Tuesday 8 April at the InterContinental Hotel Singapore and will welcome over 100 key members of the local shipping community to discuss green shipping technologies. This one-day programme will give attendees access to cutting-edge technologies and innovations aimed at addressing key challenges such as efficiency and green house gas emission reduction. Attendees will hear from organisations at the forefront of green technology and maritime innovation such as Maersk, Mitsubishi Heavy Industries, ClassNK and more.

## **Singapore Maritime Lecture**

Date : 9<sup>th</sup> April 2014  
Time : 3.30pm – 6pm  
Venue: Fullerton Hotel  
Organiser : MPA

An anchor event of the Singapore Maritime Week, the Singapore Maritime Lecture is an opportunity to hear from, and engage in dialogue with a notable personality on maritime matters.

This year, the Lecture will be delivered by Mr Jacques de Chateauvieux, Chairman of BOURBON, and Chairman & CEO of JACCAR Holdings.

Previous speakers include Singapore's former Minister Mentor Lee Kuan Yew, Mr Efthimios Mitropoulos, former Secretary-General of the International Maritime Organization (IMO), Dr Helmut Sohmen, Chairman of the BW Group, Capt Wei Jiafu, former President and CEO of COSCO Group, Mr Nils Smedegaard Andersen, Chief Executive Officer of the A.P Moller-Maersk Group, Mr Koji Sekimizu, Secretary-General of the IMO and Mr James Hughes-Hallett, Chairman of Swire Group.

## **Singapore Maritime Lecture Networking Cocktail**

Date : 9<sup>th</sup> April 2014  
Time : 6pm onwards  
Venue: Fullerton Hotel  
Organiser : MPA

## **International Sportsweek for Seafarers**

Date : 9<sup>th</sup> April 2014 – 12<sup>th</sup> April 2014  
Time : Whole Day Event  
Venue: Yio Chu Kang Stadium  
Organiser : MPA

MPA organises the annual International Sportsweek for Seafarers to promote a healthy lifestyle and foster team spirit amongst local and foreign seafarers. Typically comprising more than 1,000 participants of different nationalities, the event involves activities like soccer basketball, track and field, tele-matches and tug-of-war.

## **Singapore Yacht Show 2014**

Date: 10<sup>th</sup> April 2014 – 13<sup>TH</sup> April 2014  
Time : 2pm - 10pm  
Venue: ONE 15 Marina Club  
Organiser : Singapore Yacht Events

The Singapore Yacht Show offers an opportunity to discover some of the world's finest superyacht and international yacht brands in a highly social setting, giving you a chance to enjoy luxury yachting at its finest. Held at the award-winning ONE°15 Marina Club, this exclusive event epitomises luxury lifestyle, bringing together world-class yachts, glamorous parties, high-end entertaining, and an enviable range of prestige products and brands – supercars, fine dining, beautiful timepieces, hand-crafted jewellery and some of the region's most luxurious waterside properties, providing you with the ultimate luxury experience.

The Singapore Yacht Show provides a first-class platform for regional guests to meet yachting professionals, boat owners, supercar aficionados and a select group of invited participants keen to explore the luxury yachting scene.

## **An Introduction to LNG Bunkering**

Date : 10<sup>th</sup> April 2014  
Time : 8.30am-5.15pm  
Venue: Traders Hotel  
Organiser : Petrospot

As LNG is increasingly seen as a viable - and green - option as a marine fuel, this highly-focused, educational seminar investigates what the industry now needs to do to take this idea forward, examining the supply chain requirements and market preparedness for this exciting "new" bunker fuel.

National Archives of Singapore

## **Moore Stephens Singapore Shipping Forum 2014**

Date : 10 April 2014, Thursday  
Time : 12.00pm – 3.30pm  
Venue : Marina Bay Sands, Level 4, Peony Junior  
Organiser : Moore Stephens LLP

The Moore Stephens Singapore Shipping Forum 2014, held in conjunction with the Singapore Maritime Week 2014, will cover the economic trends that affect the shipping industry. Is the recovery in the last 12 months going to prevail and what will the impact of private equity funds be on the shipping landscape going forward.

## **Asian Maritime Law and Arbitration Conference**

Date : 10<sup>th</sup> April 2014 and 11<sup>th</sup> April 2014  
Time : 8.30am-6.30pm  
Venue: Supreme Court Auditorium Singapore  
Organiser : Maritime Law Association of Singapore & Singapore Chamber of Maritime Arbitration

The Asian Maritime Law & Arbitration Conference ("AMLAC") takes place from 10 to 11 April 2014 at the Supreme Court Auditorium, and features significant legal and dispute resolution topics drawn from milestones in a ship's life cycle. Come explore the issues commonly faced by a shipowner, shipyard, financier and other relevant parties during the construction, trading and conversion phases of a ship's life.

The issues for discussion will be drawn from a hypothetical scenario prepared by a team of experienced practitioners and looks to showcase the best of talents from both Maritime Law and Arbitration, featuring notable Singaporean and international speakers and panellists addressing issues from both common law and civil law perspectives.

## **Inaugural Graduation Ceremony for Certificate of Competency (Special limits event)**

Date : 10<sup>th</sup> April 2014  
Time : 5.30pm – 8pm  
Venue: NTUC Auditorium, One boulevard  
Organiser : MPA

Started in 2011, the Special Limits training programmes opens up seafaring job opportunities to Singaporeans who can sail for a living and yet be close to home. More than 200 Singaporeans have joined the training programmes and the inaugural graduation ceremony celebrates the achievements of the pioneer batches who have graduated.

## **Launch of Singapore Maritime Trails & Maritime Corner @ Fort Canning**

Date : 11<sup>th</sup> April 2014  
Time : 4pm-10pm  
Venue : Fort Canning Lighthouse  
Organiser : MPA

On 11 April 2014, MPA will launch the first Singapore Maritime Trail, "Our Early Maritime Days" and the first Maritime Corner at one of Singapore's most historic landmarks, the Fort Canning Hill. With its strategic location overlooking the

Singapore Harbour, Fort Canning Hill, which housed the Fort Canning Lighthouse, played an important role to the maritime history of Singapore.

The Singapore Maritime Trails and Maritime Corners will cover different areas and tell the story of how Singapore evolved from an entrepot trading post some 200 years ago, to the premier global hub port and international maritime centre it is today. "Our Early Maritime Days", the first of a series of Singapore Maritime Trails, includes locations like the Fort Canning Hill, Clifford Pier (today's Fullerton Bay Hotel) and Boat Quay. Maritime Corner@Fort Canning, comprising of the area around the Fort Canning Lighthouse and Flagstaff, is also the first of a series of Maritime Corners.

### **SMI Seminar: Automation and Autonomy**

Date : 11<sup>th</sup> April 2014

Time : 9.30am – 2pm

Venue: PSA Building Auditorium, #40-00 PSA Building, Singapore

Organiser : SMI & NP

Automation & autonomy is key towards higher operation efficiency and better reliability. It is a good way to address challenges relating to the shortage of skilled labour and improving productivity. Technologies and R&D capabilities developed under this thrust will be applied to various maritime domains such as port, shipping and shipyard. In the case of port, automation technology and autonomous machines will continue to evolve and become an integral part of the port of the future. These technologies can also help shipyards and equipment manufacturers improve product reliability, productivity and workplace safety.

The seminar objectives are to share relevant industry challenges and opportunities; share relevant R&D capabilities and technologies; promote R&D collaboration between Industry and Academics/ Research Community.

National Archives of Singapore
