## **Factsheet - Agencies Involved in the Johore Battery Project**

### **Singapore Tourism Board (STB)**

Initiator of the Johore Battery project which funded the project and co-ordinated the efforts of the participating agencies.

### **National Heritage Board (NHB)**

The Johore Battery site is marked by the National Heritage Board as a WWII historic site, part of the Historic Trail.

### **National Institute of Education (NIE)**

The NIE team offered consultancy services to the STB in terms of historical research.

### **Singapore Prisons Service**

Rediscovered the site in 1991 and has been very supportive of STB building on the site. The day-to-day running of the site is handled by the Prisons Department.

### **Singapore Science Centre**

The overall Design Consultant for the Johore Battery project.

National Archives of Singapore
