Factsheet – SIAI-Marchetti SF-260 Specifications

The SF-260 trainer aircraft enabled the RSAF to develop a modern and cost-effective military pilot-training scheme. Altogether, 105 Basic Wing Courses and 48 Flying Instructor Courses were conducted on the SF-260 fleet.

The SF-260 trainer aircraft, a two-seater, single-propeller plane, is popular for its excellent flight characteristics, high performance and low operating costs.

Approximately 1,000 SF-260 trainers are in service with 27 air forces around the world. Some of these countries include Philippines, Thailand, Sri Lanka, Tunisia, Belgium and Italy.
