Speech by Toh Puan Noor Aishah at
the opening of the Singapore Trained
Nurses' Association Fun Fair on
Saturday, 16th May, 1964 at 142
Moulmein Road at 12.00 noon

I am very happy indeed to be present here today to perform the opening ceremony of the Singapore Trained Nurses' Association Fun Fair. This Fun Fair has been organised by the Social Committee of the Association. Its object is to raise funds to enable the Association to send one or more representatives to the Congress of the International Council of Nurses which is to be held in Frankfurt in June 1965. Participation in international affairs is useful. Much is gained from discussion of mutual problems and the friendships formed with nurses in other countries.

I do hope that those present will help the Association by their purchases and donations to achieve the object to which it has set itself. The Singapore Trained Nurses Association, as you know, serves the interests of the nurses who give much valuable service to the people of Singapore.

I wish to congratulate the organisers and have much pleasure in declaring this Fun Fair open.
