

SINGAPORE GOVERNMENT PRESS STATEMENT

SPEECH BY HUAN NOOR AISYAH AT THE TEA PARTY  
ON FRIDAY, 5TH NOVEMBER, 1965 AT ISTANA NEGARA.  
(LAUNCHING OF THE CHRISTMAS FAIR DONATION DRAW).

31.

I am very happy to see you this evening and take this opportunity to welcome you to the meeting. In this meeting we shall concern ourselves with the Donation Draw which is being officially launched today. This is one of the projects for the 1965 Christmas Fair and the Y's Men's Club has been working extremely hard for this worthy cause. I am extremely glad to see so many happy faces today. This is a very good sign for we need many more willing volunteers for this worthwhile cause. I understand the Donation Draw Committee has printed 60,000 tickets of \$1/- for sale to the general public, and I trust that your enthusiasm for this good cause of the handicapped will be well rewarded by the support of the public in the purchase of these tickets. You will be glad to know that through the generosity of some people, many gifts have been donated which will be an attraction to the public to invest in this worthy cause.

Once again, I thank you all for coming this evening. In particular, I must, of course, not forget to thank the Chairman and Members of the Donation Draw Committee and the Y's Men's Club (Beta Chapter) who are the organisers for this project. I am grateful to all of you for your willing co-operation and services.
