1 This track off Jalan Ubi is an earth road situated in a low lying area and it has been badly eroded. This has caused great inconvenience to the residents and the factories around the area.

2 The Members of the Kampong Ubi Citizens' Consultative Committee, the members of the People's Action Party, Kampong Ubi Branch, the residents and the factory workers have organized themselves to provide voluntary service to repair this track by gotong royong on 30th May and 31st May 1973 (2 days).

3 The project undertaken is to repair the road from the junction of Jalan Ubi leading to Jalan Faya. The Government will lend the volunteers machines and tools and supply materials. There will be about 100 people participating in this gotong royong work from 8.30 a.m. to 5.00 p.m. daily during the 2 days to complete the project.

4 When completed, the project will benefit some 50 houses with a population of 500 people and 30 factories.
