PRESS RELEASE

NATIONAL CADET CORPS SINGAPORE

SECOND NATIONAL CADET CORPS (SEA) ROUND SINGAPORE ISLAND  
CANOEING EXPEDITION

FROM 15TH TO 13TH MARCH 1976

The National Cadet Corps (Sea) will conduct its Second Round Singapore Island Canoeing Expedition from 15 Mar 76 to 18 Mar 76. Eighty cadets will participate in the Expedition in 40 double seater canoes accompanied by 20 officers as safety officers and controllers in six safety boats.

The Expedition will start off from the West Bank of the Singapore side of the Causeway and will be flagged off by the Chairman of the National Cadet Corps Council, Prof J A Jansen.

The cadets will paddle their canoes round Singapore Island in a counter clockwise direction to the eastern side of the Causeway. Only night stops will be made at SAFPI Boat Station, Pasir Panjang Sea Training Centre and Changi Sea Training Centre.

On completion of the journey, the successful cadets will be awarded the NCC Adventure Training Badge at a ceremony to be officiated by Mr Eugene Wijesingha, Assistant Director of Education (Organisation). The ceremony will take place at the former Red House Sailing Club near the School of Naval Training Terror Barrack.

The NCC Adventure Training Badge is awarded to a cadet who has successfully completed an Adventure Training Test in which great demand is made on his skill, endurance and initiative.
