

STATEMENT BY MINISTER FOR LAW

SEPOY LINES

The constituency of Sepoy Lines will cease to exist at the next General Elections when it will be absorbed by 5 neighbouring constituencies as decided by Parliament when it accepted the recommendation of the Electoral Boundaries Delineation Committee.

The Government decision is that it is not a justifiable expenditure of public funds to hold a by-election for Sepoy Lines because the MP returned will have his seat abolished in the next few months when Parliament is dissolved for the General Elections.
