MEMBER OF PARLIAMENT FOR SERANGOON  
GARDENS AT SING HUA SCHOOL 45TH  
ANNIVERSARY AND OFFICIAL OPENING  
OF THE NEW SCHOOL BUILDING ON  
SUNDAY, 20 JULY 75 AT 11.00 A.M.

Chairman & Friends,

This event today marks the excellent effort by the Committee responsible for the collection of funds with which this school has been built. It also points to the understanding and generosity of the community and supporters who have made contribution towards the building of this school.

It is fitting that the official opening of the school ties in with the school's 45th Anniversary Celebration. Of its 45th year Sing Hua School is rejuvenated and stands on solid foundation. In the past 45 years the school has made significant contributions to the education of the Community and will no doubt continue its good work in the future.

There is a character in the effort which built Sing Hua School. It is the character of the community which believes in helping themselves first before asking for help. For us, such a character is vital if we are to be a nation of strength and cohesion.
